Over the past few years, superhero films have become increasingly more popular with Avengers: Endgame becoming the most successful film ever in 2019!

Some people think that watching superhero films could make young people feel differently about their own bodies and can raise concerns over body image.

So today, we'll be thinking about whether superhero films create unhealthy expectations about how our bodies should look, or if it's just harmless entertainment.

Social Care Worker Apprenticeship - Intermediate

Employer: Choice Care Group - Herefordshire - Old Windsor
Training Provider: LIFETIME TRAINING GROUP LIMITED

[Apply](#)

88-90 Straight Road SL4 2BX

Do you enjoy helping people and making a positive impact in their lives? Are you caring, reliable and passionate? If you feel you have these unique qualities, we would love you to join our team. You will deliver high quality personal care following the care plan and individual resident wishes to ensure the comfort and dignity of each resident.

At Choice Care Group, you will be working towards an Adult Care Worker Level 2 Apprenticeship standard over the course of 15 months!

An apprenticeship with Choice Care Group will be not only a meaningful, active and rewarding job, but a possible new career as well and the opportunity to work with a fun, dedicated team.

Choice Care Group is looking to appoint a Health and Social Care Apprentice to work in one of our homes. The successful candidate will work towards achieving a Level 2 Adult Care Worker Apprenticeship. Applicants should be at least 16 years old and not in full time education.

By the end of your Apprenticeship you'll have gained new skills and experience. If you're new to adult social care, then an Apprenticeship is one of the best ways to get into the sector and start your career.

You'll work alongside experienced staff and learn the skills and knowledge required for you to be a skilled and confident worker.

As an Apprentice you will be supporting adults with learning disabilities, mental health disorders and complex needs in a residential care environment, providing a high standard of care and support.

Key Responsibilities

- Deliver high quality personal care following the care plan and individual resident wishes to ensure the comfort and dignity of each resident
- Delivery of care that is of high quality and maintains the dignity and well-being of residents
- Understand the importance of privacy, dignity, choice and consent and uphold these basic rights at all times
- Contribute to the individualised person centered care planning process of each resident and recording appropriate interactions and observations
- Complete all regulatory and statutory training requirements and comply with all company policy and procedures whilst at work
- Carry out responsibilities for residents ensuring that residents receive one-to-one quality time when on duty
